Subject: Fish & Wildlife Meeting

Jess –

Fish & Wildlife wants to hold an “internal” meeting first with City Staff & City Council prior to holding a community meeting. F&W have also asked LASD to be present. The meeting has been scheduled for Thursday, December 13th at 10:30am here at Bradbury City Hall. Hopefully this date/time work for you.

F&W are projecting that the community meeting might occur in early February. During the December meeting, we can figure out if LASD presence is needed at the February community meeting.

Thanks,
Kevin
